OBJECTIVE_

- Dedicated and motivated computer science student with a passion for problem-solving and programming. Seeking opportunities to apply and enhance my technical skills while contributing to the growth of an innovative organization.

WORK EXPERIENCE_

2021 - Present

Web Developer

GBeeTechive SMC Pvt. Ltd. Gilgit, Pakistan

My responsibilities at the job include creating websites using various programming languages and frameworks like **React**, **Laravel** and **Next.js**. Implementing the user interface and user experience (UI/UX) design provided by the designers.

2020 - 2021

Internee Web Developer

U-Connect Technologies, Gilgit, Pakistan

As an internee I was exposed to various aspects of web development, such as front-end and back-end technologies, responsive design, version control, and industry-standard best practices. This hands-on experience fostered a deeper understanding of the web development process, project management, and teamwork.
